1. Why most people never start

Most people who look at a home business never get past the first page. Not because they aren't capable, but because three things stop them: upfront costs, monthly fees they can't predict, and waiting weeks to see a single commission.

> 💡 **Key idea:** Zilara removes all three. It's free to join, there are no monthly or annual fees, and commissions are paid daily.

- ✅ **$0 to join.** You open a free account in about two minutes.
- ✅ **No associate, monthly or annual fees.** Nothing quietly drains your account.
- ✅ **Paid daily.** Commissions arrive in real time, every day.

2. The company behind it

Two established companies, founded in 2011 and 2017, merged into one in 2026. That gives you the stability of a long track record with the energy of a brand-new opportunity.

200+	100%	No cap	7 days
countries	debt free	on binary pay	holding tank

Products are made in a GMP-compliant facility in Cincinnati, Ohio, with lot-code traceability in place since 2011. No synthetic vitamin isolates, no artificial colours, flavours, sweeteners or preservatives, and no GMOs.

3. How the plan works, simply

Zilara uses a hybrid plan: a matrix and a binary. You choose how involved you want to be by your monthly order level.

10
PV / month

Stay in the matrix. Earn matrix commissions without referring anyone. Ideal for customers.

50
PV / month

Get paid on the binary. Your binary volume never flushes.

100
PV / month

Unlock the full plan. Star, rank and check-match bonuses, a free product every month, and ten $25 gift cards to share.

> 🌟 **Good to know:** $30 = 25 CV, $60 = 50 CV and $115 = 100 CV. Autoship saves you 5%, and you can earn up to 30% back in product rewards.

4. The 7-day holding tank

When you create your free account you're placed in a 7-day holding tank. That gives the person who invited you time to place you strategically on the team, so the earlier you join, the better your position.

- **Step 1:** Create your free account.
- **Step 2:** Message Tim so you can be placed well.
- **Step 3:** Join the Power Team Zoom and meet the team.

5. You won't be doing this alone

The Power Team meets on Zoom with 200+ people. You get the same tools, pages and training as everyone else, including ready-made guides like this one that you can share with your own link.
